1. Preliminary Statements

Applicant cites herewith patents, publications or other information of which he is aware, which he believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made, an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists. The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

Each item of information contained in this Information Disclosure Statement was cited in a communication or search report from a foreign patent office in a counterpart foreign application not more than three (3) months prior to the filing of this Information Disclosure Statement. Said foreign communication or search report is dated 31 July 2002 and a copy of same is provided herewith in addition to the references cited therein.

No fee is believed to be due in connection with this submission as this Information Disclosure Statement is being filed within three (3) months of the date of the foreign communication or search report. However, if any fees are required in connection with this paper, authorization is hereby given to the Commissioner for Patents to charge same to Deposit Account No. 50-0914.
